

Press release

Augsburg 05/26/08

**RedMoon Studios enters partnership with the Romanian game portal ComputerGames.**

**RedMoon Studios is expanding its presence in the international market. In addition to the many recent international introductions of its own games, RedMoon Studios has succeeded in finding major new cooperation partners.**

RedMoon Studios, a developer and provider of browser-based online games (Browser games) is continuing its eastward expansion.

Starting immediately, RedMoon Studios games will be available on the Romanian game portal ComputerGames ([www.computergames.ro](http://www.computergames.ro)). This cooperation is another step in the international expansion of RedMoon Studios, joining recent agreements made with companies operating in Brazil, Poland, Russia, France, Bulgaria and China. ComputerGames is the largest and best-known game portal in Romania.

Players can now enjoy top entertainment from RedMoon Studios games on the portal without downloading any software.

CMO, Marco Piu on the cooperation: "The creation of major new international partnerships shows that the combination of entertainment and user friendliness inherent in RedMoon Studios' games is also viable internationally."
