

Press Release

Augsburg, 03/05/2010

**Starting immediately POPMOG is offering the science fiction browser game FreedomResist exclusively on its internet platform**

The browser game portal POPMOG ("Popular Multiplayer Online Games") has entered a cooperation with RedMoon Studios. The POPMOG users as well as selected partners of POPMOG can therefore exclusively play FreedomResist in Germany, supplementing the company-run presence of the RedMoon title.

Alexander Piutti, CEO of the POPMOG operator GameGenetics is pleased with the new partnership: "We are excited about the fact that RedMoon Studios has chosen us as their exclusive partner, confirming the solidity of our business model and our strategies. Through the integration of FreedomResist, our portfolio is being enriched with a high-quality and popular title that is already being played by 80,000 users." "POPMOG clearly focuses on gaming-specific community functionality and strong distribution partners. This concept convinced us to enter into the cooperation with POPMOG without hesitation", stated Marco Piu, the Chief Marketing & Business Development Officer of RedMoon Studios. "Through POPMOG we can quickly and easily expand our business strategy and reach new audiences."

"The new partnership with POPMOG shows that the combination of entertainment and user friendliness inherent in RedMoon Studios' games is viable."

RedMoon Studios, a provider of browser-based online games (browser games), is with over 20,000,000 registered players one of the most successful operators on the online games market. With blockbusters such as KnightFight, MonstersGame and Tales of Magic, RedMoon Studios entrances millions of users worldwide. RedMoon Studios games are currently available in 23 languages.
