

Press release

Augsburg 15/10/2008

RedMoon Studios forms partnership with the largest Portuguese media corporation, the Portuguese Telecom.

RedMoon Studios has signed an agreement with the Portuguese Telecom granting PTC exclusive marketing rights for RedMoon Studios browser games in the Portuguese market.

RedMoon Studios, a developer and provider of browser-based online games (Browser games) is continuing its eastward expansion. Following the start of new partnerships in Poland, China, France, Romania, Brazil, Greece, Russia, and USA now users in Portugal can also enjoy top entertainment with RedMoon Studios games without downloading any software.

The RedMoon Studios games will available on PTC web portal SAPO (www.sapo.pt). PT is the largest and best-known media organisation in Portugal. The SAPO web portal is the most loved brand in Portugal with 15 Millions page view a day.

The creation of major new international partnerships shows that the combination of entertainment and user friendliness inherent in RedMoon Studios' games is also viable internationally.
