

Press Release

Augsburg, 10/01/08

RedMoon Studios has established an independent development and publishing company in Hong Kong.

RedMoon Studios, a developer and provider of browser-based online games (Browser games) is continuing its international expansion. RedMoon Studios is expanding its presence in the international market and has established a new company in Hong Kong: The RedMoon China Limited.

The RedMoon China Ltd. in Hong Kong, China, will focus mainly on the development of WebGames targeted towards the Asian market. The strategic location of Hong Kong and the highly-qualified workforce available in the region fulfil the prerequisites essential for entering the quickly-growing Asian game market.

The directors of the RedMoon China Limited, Stefan Faller and Marco Piu, both agree:

„Hong Kong is a very important economic hub in Asia and we believe that RedMoon China will soon be able to entertain Asian players with amazing WebGames.“
