RedMoon Studios enters partnership with Weillai Technology Limited in Shanghai.

RedMoon Studios is expanding its presence in the international market. In addition to the many recent international introductions of its own games, RedMoon Studios has succeeded in finding major new cooperation partners.

RedMoon Studios, a developer and provider of browser-based online games (Browser games) is continuing its eastward expansion.

This cooperation is another step in the international expansion of RedMoon Studios, joining recent agreements made with companies operating in Brazil, Poland, Russia, France, Bulgaria, Romania and China. Weillai Technology limited is one of the largest and best-known BrowserGames publisher in China.

Players can now enjoy top entertainment form RedMoon Studios games on the portal without downloading any software.

CMO, Marco Piu on the cooperation: "The creation of major new international partnerships shows that the combination of entertainment and user friendliness inherent in RedMoon Studios' games is also viable internationally."
