**RedMoon Studios enters partnership with the TM Websoft Inc. in USA**

**RedMoon Studios is expanding its presence in the international market. In addition to the many recent international introductions of its own games, RedMoon Studios has succeeded in finding major new cooperation partners.**

RedMoon Studios, a developer and provider of browser-based online games (Browser games) is continuing its international expansion.

Starting immediately, RedMoon Studios blockbuster "MonstersGame" will be available on the MMOSITE game portal (mmosite.com). This cooperation is another step in the international expansion of RedMoon Studios, joining recent agreements made with companies operating in Brazil China, Russia, Poland, France, Romania. MMOSITE.com is one of the largest game portal in the USA.

The creation of major new international partnerships shows that the combination of entertainment and user friendliness inherent in RedMoon Studios' games is also viable internationally.
