

Press release

Augsburg 01/28/2008

RedMoon Studios has expanded their partnership with the gaming portal MisterApe in Brazil.

The browser game company RedMoon Studios from Augsburg, Germany has increased its international presence after successfully cooperating with MisterApe in 2007. The two firms have now agreed to expand the present partnership.

The huge Brazilian entertainment portal www.misterape.pop.com.br is the leading provider of online games in Brazil and South America.

The structure of the cooperation between RedMoon Studios and MisterApe presents both parties with interesting future opportunities. RedMoon Studios can expand its presence in the quickly expanding Brazilian market and the beloved online gaming portal can supplement its offerings in the entertainment sector with the addition of successful games such as KnightFight and Tales of Magic.

The expansion of existing international partnerships shows that the combination of entertainment and user friendliness inherent in RedMoon Studios' games is also viable internationally.
